

Linear Mounted Lamp

“The Linear Lamp Series is designed from the idea of creating smaller atmospheres through modern light, bringing a sense of intimacy to larger spaces. With their elegant expression, subtle details and inherent functionality of a dimmable light source, the designs create space for both being and working on your own as well as making for a friendly environment when in the company of others. Use the Linear Lamp Series for any space in need of modern, functional lighting that can be adjusted to the exact purpose of your space.”

— Thomas Bentzen

Designed by	Thomas Bentzen
About the designer	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen's designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	The Linear Mounted Lamp brings an elegant expression and subtle details to any space. Designed with inherent functionality through its dimmable light source, the Linear Table Lamp hints towards the archetypal library lamp through its familiar form, joined by a friendly character that allows for it to be used in any setting. Note that the Linear Mounted Lamp must be used on either of the Linear System Table designs.
Material	Lamphead is made in pressure-die casted, powder coated aluminum. Stem in powder coated steel. Polycarbonate diffuser and PVC cord with GST1813 plug.
Cleaning & Care	Clean with soft dry cloth only. Always switch off electricity supply before cleaning.
Cord length	150 cm / 59.1"
Light source included	209,2 cm, 23,2 cm: Yes
Dimmable function	Yes.
Additional information	Only usable with Linear System Power Kit.
Table Power Kit	Integrated power available in region-specific versions for EU, UK & US. Wieland Power distribution block (5-way) and Wieland cables.
