

STUDIO HENK

We are Studio HENK, a Dutch furniture design studio. Inspired by daily moments we design furniture for everyday life.

We believe that furniture design isn't just about creating a beautiful piece; it's about designing furniture for everyday use. Therefore, we make furniture pieces that are both aesthetic and functional. All pieces from our collection can be customised. That way, you can create a piece of furniture that is exactly what you need to enjoy your day-to-day life. Our collection consists of all the types of furniture you need for your living and dining space, office or restaurant.

Brick

Inspired by the bond pattern of laying bricks, the Brick Sofa will form the foundation of your interior. While strong in its appearance, the extra layer of foam in the filling ensures that the sofa is easier to sink into and looks softer. Choose from four elements and arrange them in a structure of your liking. Slide the backrest seamlessly aCross* two parts to reveal the staggered brick pattern and back again to change its look.

Available in all Studio HENK fabrics, including our latest sustainable offerings. Made in the Netherlands.
